Disbursements

Disbursements are items arranged for and possibly paid for on your behalf by us. You are expected to pay for these items at the time the contract is entered. The following are some items that are often identified as disbursements.

Coroner's fee – this is a fee charged by the coroner for issuing a certificate that allows cremation to take place. The fee is set by the Chief Coroner for Ontario.

Clergy honorarium – this is an amount paid to the clergy for their services. In some cases, the amount is set by the clergy, in others it is an amount to be determined by you.

Municipal death registration fee – this is a fee charged by the local municipality to register the death. The fee is set by the municipality and may vary.

Cremation Fee - This fee is charged every time a cremation is requested and will depend on the crematorium selected and their current prices.

Payment, financing, and funding

Payment is due immediately upon signing the contract. Payment may be made by cash, cheque, debit, and most major credit cards.

If you are prepaying for services or supplies, pre-authorized chequing is also available.

Funding: we offer the option of prepaying for services or supplies. When prepaying, you pay for the services and supplies today, and the money will be used to pay for the services and supplies when they are delivered at the time of death.

Insurance: You may purchase an insurance contract where the proceeds of the insurance contract will be used to pay for the services or supplies at the time they are delivered, or the contract is cancelled.

Additional information about our payment, financing and funding options is available upon request.
